

British Values at Bersted Green.

We aim to:

Enable students to develop their self-knowledge, self-esteem and self-confidence

enable students to distinguish right from wrong and to respect the civil and criminal law of England

encourage students to accept responsibility for their behaviour, show initiative, and to understand how they can contribute positively to the lives of those living and working in the locality of the school and to society more widely

enable students to acquire a broad general knowledge of and respect for public institutions and services in England

further tolerance and harmony between different cultural traditions by enabling students to acquire an appreciation for and respect for their own and other cultures

encourage respect for other people, and

encourage respect for democracy and support for participation in the democratic processes, including respect for the basis on which the law is made and applied in England.

'The social development of pupils is shown by their:

acceptance and engagement with the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs; the pupils develop and demonstrate skills and attitudes that will allow them to participate fully in and contribute positively to life in modern Britain.'
