

## School priorities 2023-2024

### ABC

- **Accelerating progress to ARE/GD**- Interventions specific and targeted; Quality First Teaching. Effective TA support to develop independent learners.
- **Basic skills** - Reasoning - multi part questions that make sense. Mastery. Combing all the learning linked to writing progression.
- **Curriculum** - engaging curriculum to excite learning, children apply learning and make links /connections between subject areas; planning followed to ensure coverage and no overlaps; evidencing practical/verbal activities
- **Compliance** - policies, Health and safety, Safeguarding, data, DfE
- **CPD** - to continue to build and develop capacity, to challenge and grow teachers and Teaching Assistants.

Phonics teaching and Spelling accuracy

Developing vocabulary and quality of writing/P4C

Children proud of their books and talking about their learning. Children are ready to learn.
