**This is what our children say:**

"... I like talking to all of the kind adults and the Headteacher. Learning is fun and the teachers help you to understand why you need to learn certain things. I like it when we all get together as a school and mix groups to make even more friends..." "Teachers help when we don't understand"

"... I enjoy it when we get to go on Golden Book trips like Goodwood Farm, or we play Golf or have a Tea Party. The best part of school has been going to Butser Farm, Wildfowl and Wetlands Trust, the Weald and Downland Museum, London and the Arena to play Sports on Sussex Day..."

"...it's great! We have treats like ice skating, rock climbing, Santa fun run and archery to try a new sport" "We are planning a colour run"

"... I love the clubs: football, colouring, cooking, Hama beads, growing things, eco club, cricket, fire-lighting - I've done lots. I like caring for the chickens and helping to clean them out - I like everything!"

**This is what our parents say:**

Our parents like that we are approachable and caring. They have said that some of the things they like about us are:

"...The school knows our children really well."

"...The school provides so many resources and experiences to help the children learn."

"...The school offers support for parents as well as the children."

"...The pop-up shop which provides food on a no questions basis."

"...The children do well at school and feel safe and happy."

"...Warm and caring adults help all the children."

"...There are a lot of clubs."

"...Trips are not too expensive." (we apply for grants to subsidise our trips and keep the costs down)

"...We are told if there are any problems."
