

Wonderful Water Summer1 2026 Year 1 Dragonfly Class

English- our texts for writing are: Jack and the Flum-Flum Tree, Grandad's Island, Life Cycle of a Frog, Tadpole's Promise. We will be completing fiction and non-fiction writing.

Music- Composition- we are writing a piece of music based on the sea and then performing it.

Art and DT- Using Monet's Water Lillies as well as a bit of Jackson Pollack, we are exploring texture and technique. Put your apron on and lets go!

Computing- Keyboard skills. Editing, fonts, changing text.

Maths- We are learning about mass and volume- measuring and comparing weight and capacity. We are also counting in 2s, 5s and 10s

PSHE/P4C We are talking about family, community and home.

Science- We are learning about the different animal groups and what makes them special and where they live.

Phonics/ Reading- We are split into groups and have a phonics session each day. We also follow Guided Reading texts in class each week.

RE- We are learning about the role that Baptism has in the Christian religion and how water features in ceremonies in other religions.

PE-We are learning different team games. Working outside when possible, please ensure that your child has a PE kit in school each week

Geography - We are learning about the Great British Weather- plenty to talk about!

This is what we are doing in class this half term. Please use it to support your child at home.
